## Wapello County Fair Endowment Fund

The Wapello County Fair Board of Directors is committed to a substantial upgrade of our Fair Grounds:

- Upgrading our Inadequate Electrical System with a system designed by Alliant Energy which will serve our present and future Electrical Demands.
- Installing modern RV Campground facilities designed by French-Reneker-Associates.

We have established a Charitable Organization Endowment Fund in the Legacy Foundation. The purpose of this fund is to help us fund our Fair Ground capital improvements as specified above. The name of this fund is the "Wapello County Fair Endowment Fund". All receipts and disbursements of this fund shall be accounted for and apart from those of other gifts to the

Legacy Foundation. An Endowment Fund Booth will be located under the Grandstand during the Fair. Endowment Fund Committee Members will be available to discuss our Upgrade Project. Jim Sloan, Fred Jenkins, Bob Orman, and Bev Sloan are Members of our Endowment Fund. Stop to see how your contribution can help us improve our Wapello County Fair and the Eldon community!
