

WHAT IS THE WAPELLO COUNTY FAIR GENERAL FUND?

When you choose to contribute to the Wapello County Fair ***General Fund***, you are supporting the *Organization, Preparation, Promotion, Scheduling,* and *all the Activities* that our volunteer Fair Board perform daily throughout the entire year. In short, **our General Fund is what makes our Wapello County Fair possible!**

Sometimes we contend with floods – and sometimes with extreme heat – but our volunteers accomplish wonders to bring you, our dedicated fairgoers, the county fair experience you love!

Our Wapello County Fair Board is passionate about presenting our Annual Wapello County Fair. We use money available from the General Fund to maintain our fairgrounds and to plan activities that our fair attendees want to experience. As costs for quality entertainment are higher, your contributions help us keep ticket prices down for fair entertainment events that families can continue to enjoy. Several years ago, we made the decision to have the Wapello County Fair accessible to all by eliminating the gate fee. This decision to open our Fair to all has made it necessary that we find other sources of revenue to maintain our General Fund.

If you choose to contribute to our General Fund, you can be assured that your investment in our Wapello County Fair will be used to help ensure that Wapello County Fair can continue to be an outstanding County Fair.

Thank You from the all-volunteer Board of Directors,
Wapello County Fair, Inc.
