

Red Neck Rally Rules - Eldon Raceway - Wapello County Fair - September 25, 2021

Classes

Car Class - Any front wheel drive car or mini van will be allowed, other than late 70's and very early 80's Cadillacs and Buicks. (No boats!) Later model Cadillacs and Buicks are allowed. *AWD vehicles permitted, as long as rear drive shaft is removed.

Compact Truck Class - Rear wheel drive only. 4WD drive acceptable if front drive shaft is removed. They must have a full steel top. No jeep wranglers/ Suzuki samurais/ Geo trackers, etc.

Side x Side

Redneck Rally

Mandatory Rules:

1. HELMETS ARE REQUIRED!
2. Car/Truck MUST have a roll bar/demo bar. Full cage is not required.
3. Car MUST have all exterior plastic removed.
4. Car MUST have all glass completely removed. It is acceptable to leave windshield, if driver prefers.
5. Car MUST have DOT approved tires.
6. Car MUST have a number painted on the side, large enough to see from the grandstands.
7. Vehicle MUST have a white number plate on the roof (with black numbers), easily visible to the scorekeepers.
8. Passengers are NOT allowed!!!
9. No Attitudes. Rubbing is racing, however this is not a demo derby. Over aggressive driving will have you removed. Pushing and shoving to gain position is allowed.
10. Doors MUST be welded or chained shut.
11. Bumper modifications are allowed, however if we feel they designed to tear up tires (or do damage to other cars), or we see they are not attached well, you may be asked to remove them.
12. If you are found to be intoxicated, you will not be racing. This is for everyone's safety!

Suggestions and Tips:

1. Interior or exterior door bar is recommended.
2. Full roll cages are perfectly fine. Cars will be inspected. Please use common sense, and do not make cages out of unsafe materials (fence posts, conduit, etc).
3. Fuel Cells are not required. Gas tanks and batteries can stay in stock location.
4. Factory seat belts and seats will be allowed.
5. Factory interior can stay in the car.
